Mikko—Drums

Hein —Guitar Amp

Roger—Harp Amp

Xlr out

vox —Chris

Chris — Piano

vox —Hein

vox und acoustic harp —

Roger

Audience

Please do not mix as a rockband, please think jazz. More Snare, less booming bass drum. Here is an impression: <https://www.youtube.com/watch?v=a3bliuNhkTs>

Please do NOT add any reverb during the concert unless asked to do so. Thx!

Catering:

1 x vegetarian

Beer, red wine, water, juice, soft drinks, coffee, tea, fruit should be provided backstage. Bottled water for the the stage during the performance. In addition to the meals as agreed in the contract, snacks are well appreciated—thank you!

Please provide a tuned piano in good condition where possible. An upright is alright and a grand is grand ;-). Should this not be the case, please inform the band well in advance to facilitate tour planning. A “real” piano is highly recommended and increases the performance, both musically and visually.

Roger, Hein and Jaska (bass) will bring their own amps as required. If the venue has amps that can be used, please let the band know in advance to facilitate tour planning.

Should the venue have drums available, please let us know to enable Mikko, the drummer, to bring what is necessary.

Three vocalists. Please provide appropriate mics and stands.
